BATHEASTON PARISH COUNCIL COMMUNITY GRANT SCHEME – GUIDANCE NOTES

These notes have been prepared to explain the main details of the Council's Grants Scheme.
Please read them carefully before you complete the grant application form.

Aim of Batheaston Parish Council Grant Scheme

The aim of this scheme is to support and promote an active community in Batheaston. The Parish Council recognises and supports the valuable contribution made by the voluntary sector to the wellbeing of the community. We provide financial support for community organisations working for the benefit of Batheaston parishioners, with the intention of improving the range of services and activities in the parish.

Who can apply for a grant?

Many types of organisation may be awarded grants such as:

- ❖ Parish organisations

- ❖ Youth/Senior Citizen Groups
- ❖ Sports Clubs and Arts groups

The scheme provides grants for new organisations as well as grants to existing organisations for work or projects that will be of benefit to the Batheaston Parish as a community.

The applicant organisation must be based in the Batheaston area and be able to demonstrate that it benefits a number of people living in the Parish of Batheaston and how.

Because funding supplied by the Parish Council can only legally be used for the direct benefit of Batheaston Parish and its residents, there will be some situations where we are not able to provide grants. These include:

- ❖ general appeals (e.g. national / international disasters);
- ❖ national organisations without a locally based group;
- ❖ individuals (e.g. sponsorship for individual sportsmen and women).

What can grants be used for?

Grants can be used for capital projects (e.g. the acquisition of or construction of lasting assets) or for revenue costs. Examples of what grants might support include:

- ❖ Equipment
- ❖ Development
- ❖ Projects
- ❖ Publicity
- ❖ Training
- ❖ Insurance

How much money is available?

The total amount of money any one group may be awarded is limited to the amount set aside by the Council for this purpose, which may vary from year to year. The Parish Council expects that the amount requested by community groups will collectively exceed the amount available. It is important that all questions on the application form are answered as fully as possible to provide a detailed picture of the activities of your organisation within the Parish.

All awards are at the discretion of the council, and can be either a single payment, or repeated throughout the current year. Note however that the Council cannot commit funds for future financial years (being April-March).

How do I apply for a grant?

An application form is included in this pack. You will need to include:

- ❖ a statement in support of your request
- ❖ a copy of your organisation's constitution if it has one
- ❖ a copy of your organisation's accounts for the previous 3 years is preferred

All applicants completing an application form will be deemed to have read and agreed to the requirements outlined in these Guidance Notes and the 'Eligibility Criteria for and Conditions

attached to Funding'. All sections of this application form must be completed and returned with the necessary documentation by midnight on the designated day of deadline.

Who can I contact for more information or advice?

If you have any questions require further information or would like help filling in the form, please contact:

GRANTS POLICY: ELIGIBILITY CRITERIA FOR AND CONDITIONS ATTACHED TO FUNDING

The Parish Council's Grants Policy requires all applicants to comply with the following eligibility criteria. Please read this carefully before submitting your application.

1. Applications will **not** be considered from:
 - ❖ individuals.
 - ❖ organisations intending to support or oppose any particular political party, or to discriminate on the grounds of race, age, gender, disability, sexual orientation or religion.
 - ❖ private organisations operated as a business to make a profit or surplus.
 - ❖ "upwards funders", i.e. local groups whose fundraising is sent to their central headquarters for redistribution.
 - ❖ organisations or local groups with access to funds from national "umbrella" or "parent" organisations, unless funds are not available from their national bodies, or the funds available are inadequate for a specified project.
2. Applications for funding of staff costs are not normally approved.
3. Applications from religious groups will only be considered where a clear benefit to the wider community can be demonstrated irrespective of religious beliefs. Compliance with this requirement will need to be demonstrated throughout the project. It is not possible to grant aid bodies whose express purpose is to promote religious faith.
4. The applying organisation should be a non-profit making, voluntary body and should be able to demonstrate significant benefit to residents of Batheaston Parish.
5. Where a 'Starter grant' is provided, the Council will need to be satisfied that the organisation has proposals to become self-supporting.
6. Where a grant has been awarded towards a capital project, the organisation concerned should be able to demonstrate that it has clear plans for raising the remainder of the necessary finance.
7. The Parish Council requires short report(s) on completion of the project, and – if not complete – progress report(s) on each anniversary of receipt of the funds. This should detail how the money was spent, detailing major spend items with copies of receipts, as

evidence that the money has been used for the purpose stated. The report should also provide evidence of the benefits gained.

8. The Parish Council reserves the right to reclaim the grant in the event of it not being used for the purpose specified on the application form. All funding or part thereof or items purchased by the organisation with Parish Council grant funding must be returned to the Parish Council should the organisation cease operations during the financial year in which the grant is presented.
9. Organisations that receive a grant will be required to acknowledge the Parish Council's contribution on all publicity/printed material and invited to make a presentation at our annual parish meeting.
10. Retrospective grants may be considered for projects that have commenced in the six months prior to the application date. However no project should be undertaken on the assumption of being awarded grant funding.
11. Whilst under the general grants system the Parish Council is willing to consider revenue costs, it cannot make a commitment for future years funding under this scheme. A fresh grant application has to be made for each year.
12. Successful applicants may not always be awarded the amount that has been requested.
13. The applying organisation needs to, where appropriate, demonstrate that they have (or can acquire) the
 - (i) expertise to complete the project or activity
 - (ii) the resources to carry it out
 - (iii) appropriate financial controls in place
14. Under normal circumstances the council will only consider one application, per group, per annum .
15. Where the funding is significant the Parish council reserves the right to make the award conditional on nominating a member to the controlling body of the organisation applying for the grant.

6. How is your organisation funded – for example what are your present charges/subs/fees?
 - We have a sponsor that payed for our kit, and to have its company branded on the kit. We also charge £5 a game for all players.

7. Briefly describe the project or purpose for which you require a grant and how the project or purpose will benefit the community or residents of Batheaston.
 - The purpose of this is simple, not to only provide the opportunity to stay active and healthy, but simply bring smiles back to the faces of batheaston residents. I grew up playing for batheaston FC and the amount of support we got from locals always took me by surprise and although the football team has been non existent for a few years now, the support and love for it is still very much alive. I have received dozens of positive feedback from locals about the excitement they have to see the club up and running again. We have been given support from local businesses such as the George and dragon pub - providing us a place to drink after the game with food for both teams. And two local self made businesses came together and helped us fund a kit. So this shows the support from the village is still very much alive in the early days of the journey.
 - The reason we require a grant is to help us afford training facilities, pitch and changing facilities and any other funds the club must pay.

8. Approximately, how many people do you expect to benefit from your project?

10. Category under which you would like your application to be considered (please tick one box only)

In support of Youth All Other projects

11. What is the identified need for your proposal?

- To increase the income towards the football team, giving us financial stability and opportunity to grow.
- We try to film as many of our games as possible, putting them online for everyone to see.
- Allowing us to afford facilities such as pitch and changing rooms (located in batheaston as well league fee's)

12. When do intend your project to start and when will it end?

- August 2020 start
- We are hoping for it not to end, having a team each year for as long as possible, there are plenty of players Willing to play so participation levels are not a worry and the club is run by 3 people, meaning we are not reliant on individuals.

13. How will you measure the success of your project?

- we will measure the success by seeing how many years the club has been going, how well we compete in the top divisions and how many trophies are won.
- Also by the amount of participants, if we have enough, in future we can always look at creating a 'batheaston reserve' team.

14. What size of grant are you seeking?

£ **600** (The Council cannot make a determination if the amount is not indicated)

15. What is the total cost of the project for which you are seeking a grant?

(Please include budget)

This includes kits, League fees, weekly match fees, and everything from water bottles and cones to changing rooms and pitch

16. If you are not applying for the full amount, please specify where the remaining funds will come from:

- The remaining amount will come from sponsorship of local businesses, I am confident we will have these in place for the next few years at least. The players also pay £5 a game, most weeks the club will make no profit from this as it goes straight out to match officials and groundsmen
