STANDING ITEMS AND REPORTS

16. Planning Applications

- 16.1. **Council reviewed, and resolved not to oppose** the following planning applications from Bath and North East Somerset Council:

16.1.1. Reference Number: 22/02066/TCA

16.1.2. Reference Number: 22/02176/COND

16.1.3. Reference Number: 22/02181/LBA

16.1.4. Reference Number: 22/02264/LBA

16.1.5. Reference Number: 22/02263/FUL

16.1.6. Reference Number: 22/01295/FUL

Council resolved to oppose this application, as the objections previously expressed in its April 2022 meeting still apply:

“this application represents an incremental change to build upon a previous application (18/05220/FUL) but by adding accommodation, at the expense of a garage, will exacerbate parking problems on a busy road within a very short distance of the Primary School.”

16.1.7. Reference Number: 22/02101/FUL

Council resolved to oppose this application, as the objections previously expressed in August 2021 to the application as it was then made, 21/03271/FUL, still apply:

“the development is not in keeping with the surrounding, and because it substantially increases the height of the building above those in the neighbourhood.”

16.2.1. Application Number: 19/05512/FUL
