**Re: Cleveland Bridge closure – temporary traffic measures**

Dear resident/occupier,

You will recall from our letter in April, that following the closure of Cleveland Bridge some temporary traffic measures would be taken to manage traffic in a safe way.

The first phase of proposed measures included temporary waiting restrictions around the junction of London Road and Toll Bridge Road/Mill Lane to help local traffic move more freely.

Since the closure we have monitored traffic through this area and also listened to feedback about problems that are occurring on the road here, with the result that we now intend to take forward the temporary restrictions as shown on the reverse of this letter.

The temporary restrictions will come into effect as of next Monday 19 July, with the introduction of a parking suspension in the designated areas as the first step.

Once the restriction is in place, we will continue to monitor the area for further problems before deciding if further measures are appropriate.  
If you have any queries regarding this or other aspects of the Cleveland Bridge works please email [cleveland\\_bridge@bathnes.gov.uk](mailto:cleveland_bridge@bathnes.gov.uk)

Yours sincerely

Justin Reeve  
Communications Officer, Highways and Traffic  
Bath & North East Somerset Council
